
NOTES

1. Do not scale.
2. Consideration should be given as to the expected duration of the road closure, and whether it's preferable to install some diversion signs on post, dependant on their location.
3. This drawing is to be read in conjunction with all other drawings and the specification.
4. Proposed closures extents and locations are indicative only. The Traffic Management Contractor is to design the traffic management which is to be submitted to the Designer for approval 14 days prior to the start of works.
5. Contractor to provide fully detailed Traffic Management design drawings in accordance with TSRGD Chapter 8.
