

Project Completion Notification

PUBLIC FOOTPATH 2 HAWKWELL SURFACE IMPROVEMENTS (part)

Scheme objective:

The Local Highways Panel have had received request to improve the condition part of the PROW which is used regularly by parents taking their children to and from a local school.

Improve the surface of part of eth Public Footpath over a distance of 174m

Scheme summary & outcome:

Improve the running surface of 174m of part of Public Footpath 2 Hawkwell (Rochford District) by:

- Installing approximately 50m of treated timber edging to be laid along certain sections of path (path edging not required along whole length)
- Clearance of the path
- Arranged for levelling and stump removal where necessary
- Along the section involved, over an average of a 2m wide path (path expands from 1.5 to 3m), laid with clean graded planings to an approximate depth of 30 -50mm and compacted.
