1.	<p>Welcome and Introductions</p> <p>The Chairman welcomed those present and introductions were made.</p>	
2.	<p>Apologies for Absence</p> <p>Apologies for absence were received from County Councillors Jude Deakin and Ian Grundy and Sonia Church of Essex Highways.</p>	
3.	<p>Minutes of Previous Meeting</p> <p>The minutes of the meeting on 13 September 2018 were agreed as a correct record.</p>	

5.	Casualty Reduction Schemes	
	<p>Ian Henderson reported on five Casualty Reduction Schemes that had been investigated where remedial measures, mainly in the form of revised signs and lining, were proposed.</p> <p>The five sites were:</p> <ol style="list-style-type: none"> 1. Westway junction with Robjohns Road 2. A414 junctions with Wyses Road 3. Brackenden Drive junction with Lawn Lane 4. Outside the car wash on the A1060 near Lordship Road 5. Pan Lane, off the old A130 <p>Final costs for all the schemes were awaited.</p>	
6.	Approved Works Programme Update 2018/19 <p>The Panel received an update on the schemes in the Approved Works Programme for 2018/19. In addition to the progress detailed in the schedule, specific reference was made at the meeting to the following schemes:</p> <p><i>LCHE162055 – Hammonds Road/Church Road, Little Baddow to Boreham</i> – The Direct Delivery Gang would carry out the work in 2018/19.</p> <p><i>LCHE152014 – Brick House Lane, Boreham</i> – This scheme would be carried out before February 2019.</p> <p><i>LCHE172023 – High Street, Chelmsford</i> – An implementation date for this scheme was awaited.</p> <p><i>LCHE148002 – PRow Footpath 95, Chelmsford</i> – It was intended to bring this scheme into the 2018/19 if there was underspend on other schemes.</p> <p><i>LCHE162060 – Springfield Green, Springfield</i> – Councillor Mackrory questioned the validation process in the light of the fact that, five years after the scheme had been proposed, changes were still being made to it. The Panel was informed that although the design had been completed, the land acquisition process necessary for this scheme meant that it was unlikely to be carried out until 2019/20. The resultant underspend in 2018/19 would be put towards delivery of schemes <i>LCHE148002 – PRow Footpath 95, Chelmsford</i> and <i>LCHE172008 KEGS, Broomfield Road, Chelmsford</i>. It would also top up <i>LCHE162086 - Lordship Road/Ongar Road/The Green/Mayfield Road/Orchard Close, Writtle</i> to allow resurfacing of carriageway as part of the junction improvement.</p>	

	<p><i>LCHE162158 – O/s Springfield Road, Springfield - Councillor Holoway was of the view that this was an unsuitable location for residents parking and questioned the cost of the scheme. Jon Simmonds explained that a large proportion of the cost was associated with the traffic management measures that would need to be implemented during the work to improve the signs and lining.</i></p> <p><i>LCHE162086 – Lordship Road/Ongar Road/The Green/Mayfield Road/Orchard Close, Writtle – currently awaiting programme date for delivery.</i></p> <p><i>LCHE162180 – Church Street/High Street/Vicarage Lane, Great Baddow – This scheme could be carried out by the Direct Delivery Gang.</i></p> <p>The Panel was informed that any other scheme underspends identified could be put towards the schemes scheme <i>LCHE172001, Helston Road/Pump Lane, Chelmsford</i>, for delivery before March 2019.</p>	
6.	<p>Potential Schemes List</p> <p>The Panel was recommended to reconvene the Sub-Group that had been established to prioritise scheme on the Potential Schemes List.</p> <p>AGREED that the Sub-Group comprising the Chairman and Councillors Shepherd and Mackrory meet on 10 January 2019 at 3pm to prioritise schemes on the list and its recommendations be brought to the Panel in March 2019.</p>	JS
8.	<p>Section 106 Update</p> <p>The Panel received an update on Section 106 highway schemes being delivered in 2018/19.</p> <p>It was reported that schemes for the Wood Street Zebra Crossing and the junction improvements at Beehive Lane/Firecrest would now begin in Quarter 1 of 2019/20 owing to delays in obtaining the necessary permits.</p> <p>The Panel was referred to scheme LCHE152156, Stump Lane, Chelmsford, which it was noted was one of the schemes due to be funded from Section 106 monies held by the County Council. Concern was expressed that such funding was time-dependent and would be lost if there were delays in implementing schemes to which it was allocated; indeed, a number of schemes with a total cost of £76,000 had already passed the date by which the monies had to be used. Members were informed that provided initial work such as investigative studies had begun, the Section 106 funding for such</p>	JS

	<p>schemes was secure. Jon Simmons said, however, that he would discuss this concern with the Section 106 team.</p> <p>On this issue, Councillor Mackrory said that £159,000 was outstanding for cycle schemes funded by Section 106 monies. David Green added that an assurance was needed that the funding available for cycle schemes from the Chelmsford Growth Package was being matched to that from Section 106 funds.</p> <p>Councillor Ride asked that the scheme for the Runwell Road passenger transport improvements be co-ordinated with other schemes proposed for that site.</p> <p>AGREED that the Section 106 Update report be noted.</p>	JS
9.	<p>Highways Rangers and 2018/19 Revenue Spend Updates</p> <p>The Panel considered a summary of the Chelmsford City Highways Rangers work programme for July to September 2018 and details of the Panel's Revenue budget for 2018/19.</p> <p>AGREED that the Highways Rangers Update report be noted.</p>	
10.	<p>Other Business/Date of Next Meeting</p> <p>There was no other business.</p> <p>The date of the next meeting was agreed as 14 March 2019 at 1pm.</p>	

The meeting closed at 14:09

CHELMSFORD CITY LOCAL HIGHWAY PANEL Approved Works Programme – March 2019

The following report provides an update on the current position of all of the schemes which the Chelmsford City Local Highway Panel had recommended for inclusion in the 2018/19 Approved Works Programme.
