

The Occupier

Dear Sir /Madam

Circulation No1: Notice of Blasford Hill road widening works:

Date: 24/09/2018

Infrastructure Works.

Brehey Civil Engineering are required to undertake road widening works to Blasford Hill (CM3 3PL) as part of Essex County Councils infrastructure enhancement works.

To enable these works to take place Brehey Civil Engineering will be implementing 2 way traffic lights (Different configurations) on Blasford Hill, starting Monday 24.09.2018, the traffic management will be in place 24/7 until the works are complete, estimated completion Friday 02.11.2018.

Access to properties will be maintained at all times, however there may be some disruption for pedestrian access whilst the new footpaths are installed. We will do our utmost to keep this to a minimum and we will have a supervisor onsite at all times to assist with access for residents.

The traffic lights will be manually controlled between the hours of 07:00-19:00pm Monday > Saturday to minimise disruption to traffic.

To view the permit and any updates to road works in your area please visit <https://roadworks.org/> and enter your postcode or town.

If you wish to discuss any issue with regards to the forthcoming works, please do not hesitate to contact me on the following:

Nigel Leggett – Site agent 07971452448 – n.leggett@brehey.co.uk.
