It is not possible to use A frame boards here as the verge is narrow. An update to be provided to the December meeting. No complaints from residents received although it is a narrow road and has issues with parking. REMOVE and put on Potential Scheme list.</p> <p>Hyde Wood Lane, Canewdon – Laybys. ROCHFORD DISTRICT COUNCIL WITH ESSEX COUNTY COUNCIL
LOCAL HIGHWAY PANEL – 21st DECEMBER 2017
2017/18 Approved Works Programme Budget Summary

At the September 2017 Panel meeting the LHP reviewed those schemes within the Rolling Programme for delivery in 2018/19 and agreed their inclusion. It is envisaged that the 2018/19 Capital budget for the Rochford District LHP will be the same as that in 2017/18 (£214,000), though this will be finalised by ECC at their full Council meeting in February 2018.

Members are reminded that the costs supplied are estimates only and there is the possibility that a final scheme cost could change significantly dependant on issues which may arise especially during detailed design and construction. The estimated scheme costs on both the Rolling Programme and the Potential Scheme List have been reviewed and adjusted as necessary to reflect this.

Additionally at this stage, we have not been notified of the Safer Roads schemes that will need to be progressed within the District in 2018/19. Our Safer Roads team are currently preparing their 2018/19 programme with a view to finalising it by the end of January 2018.

The 2018/19 Rochford District LHP Capital Budget summary is as follows:
