Item		Owner
1.	Welcome and Introduction:  Apologies for absence were received from S Church – Highways Liaison Manager.	
2.	Declarations of interest: Cllr B Hazlewood declared an interest in items on the Agenda by virtue of being a Member of Hockley Parish Council.	
3.	The Minutes of the meeting held on 23 March 2017 were agreed as correct record, subject to the following amendment: Cllr B Hazlewood had declared a non-pecuniary interest by virtue of being a Member of Hockley Parish Council, not Rochford Parish Council as stated in the Minutes.  Church Road/Fountain Lane. Cllr Maddocks had submitted a request form.	
4.	Matters Arising from Minutes of the previous meeting: S106 Schemes. S Church is in discussions with ECC with a view to compiling a comprehensive list of S106 schemes for future meetings of the Panel.	

<p>5.</p>	<p><b>Approved Works Programme Update:</b></p> <p>Road Safety schemes  <b>North Street j/w Weirpond Road, Rochford – CR Site – CR</b> site with design in year 1 and delivery in year 2.</p> <p>(Note: Cllr Mrs Weston declared a non-pecuniary interest in this item by virtue of her daughter horse riding in this location.)</p> <p><b>A129 Southend Road j/w Old London Road, Rawreth.</b> The design would cost in the region of £10,000 to deliver. £40,000 could be put back into the rolling programme.</p> <p>The Panel would review the list of schemes at its meeting in September; any schemes not supported by the Panel could be removed from the list at this time. The budget for 2018/19 would be fully allocated at the December meeting of the Panel.</p> <p><b>Hullbridge Road, Rawreth/Spa Road Hockley/Southend Road opp White Hart, Hockley/Southend Road, Hawkwell – Zebra Lighting Upgrade to task lighting.</b> The feasibility study would be undertaken in 2018/19, with a view to scheme delivery in Year Two (2019/20). The maintenance aspect would be the responsibility of the Maintenance team.</p> <p>In response to a question, Members were advised that data from previous speed and volume studies would generally remain relevant for 3-4 years, unless significant changes took place.</p> <p><b>Paglesham to Rochford Central Cycle Route – Study.</b> This related to the Coastal 2020 project (Cllrs Mrs J Lumley and G Ioannou were project sponsors for Rochford District Council). There will be further information on progress of this project in the next few months. The amount of £10,000 will be put into the rolling programme; this can be reviewed and withdrawn if required.</p> <p><b>Rochford Garden Way, Rochford.</b> The Panel had agreed that this be removed from the rolling programme and placed in the Potential Schemes list.</p> <p>It was noted that completed schemes would be shown in the minutes of the meeting and then removed from the list.</p> <p><b>Canewdon Road/Larkhill Road, Canewdon – road safety assessment collision.</b> (Cllr Ioannou declared an interest in this item by virtue of being a Ward Councillor.) There was great concern by residents and a request for a reduction in the speed limit; an accident had initiated a petition from residents.</p>	
-----------	--	--

	<p>Members advised of fatalities on Larkhill Road that did not appear in the report statistics - Cllr Ioannou to provide the Police Incident Numbers to GS. The road was heavily used by horse riders and cyclists. GS advised that an average speed of 42mph had been recorded (which was lower than would be expected for a de-restricted road) and there were no concerns from a road safety perspective; a reduction in speed along this road could not be supported as it was against ECC guidelines. In response to a question, GS advised that all appropriate speed reduction/warning signs were in place in accordance with guidelines. The road safety report had recommended a substantial vegetation cut back by the Highway Rangers, which would improve forward visibility – GS to instruct Rangers.</p>	<p><b>Cllr Ioannou</b></p> <p><b>GS</b></p>
<p><b>6.</b></p>	<p><b>Potential Capital Schemes.</b> All requests must have County Member support. The Panel had to have their scheme allocation list fully allocated by the December meeting. Additional schemes would be discussed for inclusion by the Panel at its September meeting.</p> <p><b>Rochford Garden Way, Rochford</b> – this had been added back to the Potential Schemes list.</p> <p><b>Eastwood Road, opposite Sainsbury’s, Rayleigh – signalised crossing.</b> A meeting with Cllrs Roe and Maddocks had taken place. A PV<sup>2</sup> survey had shown the crossing to be within the criteria for an upgrade from zebra to signalised crossing, with, if recommended from the validation report, would be design in year One and delivery in year Two. Cllr Roe reported that since this meeting another accident had occurred involving a child. All accidents must be reported to the Police. (Cllr Ward declared a non-pecuniary interest item by virtue of being the Ward Councillor.)</p>	
<p><b>7.</b></p>	<p><b>Potential Schemes List for consideration of Panel in 2017/18:</b></p> <p><b>Hanover Bridge, Watery Lane/Beeches Road, Hullbridge</b> – weak bridge signage – awaiting results from feasibility survey.</p> <p><b>Rawreth Lane and Laburnum Way – culvert works</b> – awaiting resolution of land issues (in contact with landowner). ECC did not wish to assume responsibility for maintenance.</p>	

	<p><b>Poynters Lane, Great Wakering – Footway.</b> The Panel had agreed not to progress with this scheme but that it would be left on the Potential Schemes list until September.</p> <p><b>Revenue Budget</b> – it was agreed that a repeat speed and volume survey would be undertaken on Trinity Road, Rayleigh, but in a different location. GS to liaise with Cllr Roe.</p> <p>Cllr Hazlewood would email GS to advise that the VAS in Church Road, Hockley was out of order.</p> <p>It was noted that HLO now recommends work to the Highway Rangers’ work list and requests can be sent direct to the Highway Rangers LHP inbox. GS to send details of the LHP inbox to Panel Members. Town/Parish Councils have been sent an email with details of how requests can be raised.</p> <p><b>Signs in Anchor Lane, Canewdon</b> outside the school keep disappearing - this is a maintenance item.</p> <p>Cllr Ward requested new signage for restricted parking in Wyverns Avenue. Advised that this is a SEPP issue.</p> <p>The current S106 list covered only those schemes issued by ECC. In future it was planned that the list would include all developments in the area to enable the Panel to be aware of all schemes commissioned. Members requested that future reports include more detail, including a time limit for expiration of each scheme.</p>	<p><b>GS</b></p> <p><b>Cllr Hazlewood</b></p> <p><b>GS</b></p> <p><b>GS</b></p>
<p><b>9.</b></p>	<p><b>AOB</b></p> <p>(1) Cllr Ioannou advised that Stambridge signage had been vandalised – this should be referred to the Highways Maintenance team. Overhanging vegetation on the highway should be reported through Customer Services. The matter could be escalated via the ECC Member, Cllr Cutmore.</p> <p>(2) Cllr Cutmore would email GS with details of reports from residents of accidents resulting in walls being knocked down along Main Road, Hawkwell, past the White Hart pub.</p> <p>(3) Cllr Ward advised of a road safety issue along Daws Heath Road/Whitehouse Chase because of there being no parking restrictions on the corner; this should be referred to SEPP or the Police, although there is liaison between LHPs and SEPP when parking restrictions are involved. It was noted that a request had been made to SEPP but this had not received support from one of the Ward</p>	<p><b>Cllr Ioannou</b></p> <p><b>Cllr Cutmore/ GS</b></p>

	<p>Councillors.</p> <p>(4) Whitehouse Chase, Rayleigh. Cllr Lumley would support this.</p> <p>(5) Items referred by Cllr Lumley:          (i) Glasses Lane: there had been no complaints from residents about the speed or volume of traffic.          (ii) Castle Road Recycling Site: a review was expected but this would not come under the LHP.          (iii) Volume of traffic from the A127 to Eastwood Road due to drivers trying to avoid the High Road. This affected Cheapside West/Victoria Avenue junction and the speed of traffic along Victoria Avenue. If required, Cllr Lumley to send a request form to GS for a survey to be undertaken.</p> <p>(6) Cllr Hazlewood advised that the <b>street lighting in Hockley town centre</b> next to the zebra crossing needed repairing.</p> <p>(7) <b>Fountain Lane.</b> Complaints from residents of lorries using the road. It was recognised that the majority of the HGV traffic would be gone on completion of the development works, due imminently. The developer could be contacted to re-route lorries. There was a request for a site visit to establish whether additional signage was needed from Main Road to warn of the low bridge.</p> <p>The Chairman requested that any Members with suggestions on how the operation of the LHP could be improved should email him.</p>	<p><b>Cllr Lumley</b></p>
<p><b>10.</b></p>	<p><b>Date of next meeting:</b> 21 September 2017</p> <p>The meeting started at 2 pm and closed at 3.40 pm.</p>

## ROCHFORD DISTRICT COUNCIL WITH ESSEX COUNTY COUNCIL LOCAL HIGHWAY PANEL – 14<sup>th</sup> SEPTEMBER 2017 POTENTIAL CAPITAL SCHEMES

Since the 2017/18 budget recommendations at the March LHP meeting, design engineers have been working hard to set the programme for this financial year. As previously highlighted within the Approved Schemes List, the programme now consists of 100% of your 2017/18 deliverable schemes and an additional list of schemes to form the rolling programme.

Moving forward the panel have been tasked with developing next year's programme by bringing forward and reviewing new potential schemes. This year, although budget allocation will take place in the March meeting, the panel are advised to have their scheme allocation recommendations in priority order by the December meeting ready for the design teams to programme the works as efficiently as possible to begin work within the first quarter of the new financial year.

### 2017/18 Potential Schemes

Scheme Type	Total Estimated Costs

## ROCHFORD DISTRICT COUNCIL WITH ESSEX COUNTY COUNCIL LOCAL HIGHWAY PANEL – 21<sup>st</sup> SEPTEMBER

### POTENTIAL CAPITAL SCHEMES KEY

The following list identifies all of the scheme requests which have fed into the Rochford LHP. The RAG column acknowledges what the status of the scheme request is as below:

= The scheme has been validated as being feasible and is available for consideration.

= The scheme has been commissioned for a feasibility study and is awaiting completion before consideration and allocation can be undertaken.

= The scheme request is against ECC criteria.

= A scheme request has been received and is in the initial validation process.

## Traffic Management

Total Value of schemes	£54,000
------------------------	---------

Ref	Location	Description	Problem	Parish	Cost Code	Estimated cost	Comments	RAG
1	Sutton Road j/w Shoplands Road - Roundabout	Investigation into visibility issues at the junction of Sutton Road & Shoplands Road	This junction is situated on a corner along Sutton Road which makes turning right into Shoplands Road a safety concern due to restricted visibility of oncoming traffic on the opposite side of the carriageway	Sutton Parish Council	LROC162070	£6,000	Recommended to carry out a feasibility study to look into possible options and recommendations in this location. The estimated cost of £6,000 includes the cost of the required surveys.	G
2	Rochford Garden Way, Rochford	Works to replace three areas of grass verge with hard standing surface on the east side of Rochford Garden Way	Many residents do not have off street parking, road is narrow therefore parking cars churning up grass verges	Rochford	LROC162058	£19,000	Previously designed and now ready for funding allocation for delivery.	G
3	Southend Rd j/w Wakering Rd & Barling Rd - Roundabout	Issues have been raised with the current layout of the existing roundabout. A study has been requested to look into improvements at this location	Problems with traffic taking a shortcut across the roundabout and driving the opposite way round as well as lack of advance signage on all approaches	Great Wakering	LROC162082	TBC	In validation.	V
4	Barrow Hall Rd j/w Little Wakering Rd - Give Way Sign	Addition of a 'Give Way' sign and lining at the junction with Barrow Hall Rd and Little Wakering Rd	Currently no 'Give Way' signage is in place or corresponding lining at the approach to this junction.	Great Wakering	LROC162083	£4,000	Recommended that the scheme is commissioned as a total scheme for the installation of a give way warning sign. It is proposed that the white lining is refreshed as part of the routine maintenance programme.	G
5	A129 London Road, Rawreth - Traffic Island	Request for the addition of a traffic island following many near-misses at the dedicated right turn lane	While vehicles are waiting to turn right there have been many cases of near-miss head-on collisions with vehicles traveling in the opposite direction	Rawreth	LROC172085	£5,000	Recommended to proceed with a detailed design only at this stage. Road Safety are to be consulted during this design due to the low volume of recorded accidents.	G

Ref	Location	Description	Problem	Parish	Cost Code	Estimated cost	Comments	RAG
6	Eastwood Rd opp Sainsbury's, Rayleigh - Signalised Crossing	Investigation into the possibility of upgrading the current zebra crossing into a signalised facility	Due to a new Sainsbury's store being built in the parade of shops demand has increased on the zebra crossing and safety issues have been raised	Rayleigh	LROC172088	£20,000	PV2 survey has exceeded criteria to install a signalised crossing in this location. Recommended to proceed with detailed design. Cost of design is £20,000 as this includes all of the required topographical surveys and searches needed to deliver a crossing of this type.	G
7	Ferndale Rd, Rayleigh - Junction Visibility	Concerns have been raised over the visibility of the junction of Ferndale Rd and Hullbridge Rd	It has been reported vehicular accidents and near misses have regularly occurred at this junction when vehicles try to negotiate turning into and out of Ferndale Road	Rayleigh	LROC172089	TBC	In validation.	V
8	Hanover Bridge, Watery Lane /Beeches Rd - Weak Bridge Signage	Advance weight restriction signage to warn HGV's of the weak bridge at the junction with Beeches Rd & Watery Lane ( Hanover Bridge)	Current signage is not correct and several breaches of the current order have been reported by Trading Standards	Hullbridge	LROC172090	TBC	Awaiting results from feasibility study for possible recommendations.	A
9	Rawreth Lane and Laburnum Way - Culvert Works	Drainage/highway improvements	Continuous flooding of roadway ditch	Rawreth	LROC172091	TBC	Land agreements to be resolved in 17/18 financial year and delivery planned for 18/19 if no further issues arise.	A
10	Canewdon Road, Ashingdon – Cemetery Entrance	Request to look into the visibility issues of exiting Thornton Meadows cemetery onto Canewdon Road	The access to the cemetery is on a double bend meaning that entering and exiting the cemetery is causing some advanced visibility concerns	Ashingdon	LROC172092	TBC	No TSRGD signage can be installed as warning triangles can only be used where two roads meet. Cemetery could provide their own sign 'advertising' the location and include a distance to the access to improve driver awareness. Failing this if the problem is considered of high enough importance, a notice could be served on the cemetery to cut the vegetation back sufficiently to provide better visibility, although used as a last resort. Parish should advise cemetery to keep both gates open at the entrance as only one was on site visit and is causing problems for vehicles gaining access.	R

Ref	Location	Description	Problem	Parish	Cost Code	Estimated cost	Comments	RAG
11	Fountain Lane, Church Road, Hockley - HGV Signage	Request for height restriction signage to warn HGV drivers of the low bridge along Church Road and Fountain Lane	HGV's and articulated vehicles are having problems progressing under the bridge which is quite low	Hockley	LROC172093	TBC	All required signage is present at all approaches to the railway bridge and no further recommendations can to be made.	R
12	Rochford Town Centre, Market Square – Regeneration	A request has been received to look into carrying out a layout change and upgrade of the Rochford Town Centre Market Square as described within Rochford's Area Action Plan	Improvements are required to reduce congestion along West Street and to make more effective use of the available space to allow for increased parking facilities within Market Square	Rochford	LROC172094	TBC	In validation	V

## Walking

Total Value of schemes	<b>£247,000</b>
------------------------	-----------------

Ref	Location	Description	Problem	Parish	Scheme stage	Cost Code	Estimated cost	Comments	RAG
1	Poynters Lane, Great Waking - Footway	Installation of a footway	No footway for pedestrians to walk from Poynters Lane to Shoebury Road	Great Waking	Implementation	LROC153002	£182,000	Detailed design complete with target cost returned of £182,000 for delivery.	G
2	Gt Waking High Street - Tactile Paving	Addition of pram crossings and tactile paving at 7 locations along Gt Waking High Street at junctions with Brougham Close, Alexandra Rd, Lee Lotts, Twyford Ave, Crouchmans Ave, Mercer Ave & White Hall Rd	Currently crossings do not have tactile paving at the uncontrolled crossing points. This addition would aid the visually impaired while negotiating the busy high street	Great Waking	Total scheme	LROC163016	£45,000	Recommended to proceed with the installation of the tactile paving and kerb upgrades at the 7 locations. This would involve 6 sets and scheme will be grouped together to minimise disruption. This scheme will improve access for all pedestrians through Great Waking High Street.	G
3	Lambourne Hall Road, Canewdon - Tactile Paving	3 locations have been identified that would benefit from the addition of tactile paving along Lambourne Hall Road. The uncontrolled crossing point outside of Canewdon Endowed Primary School, the junction with Althorne Way and at the entrance to the Village Hall	Currently crossings do not have tactile paving at the uncontrolled crossing points. This addition would aid the visually impaired when attending the school and the Village Hall	Canewdon, Ashingdon & Stambridge	Total scheme	LROC163015	£20,000	Recommended to proceed with the installation of the tactile paving and kerb upgrades at the 3 locations as this will provide a much needed improvement for residents accessing the school, village hall and village centre. This would involve 6 sets and scheme will be grouped together to minimise disruption.	G
