EXTINGUISHMENT

Dear Sir/Madam,

Essex County Council would welcome your thoughts on the above extinguishment proposal. This is an informal consultation only and no Order has yet been made.

Please note this informal consultation is not a statutory requirement on the Highway Authority. Its aim is to enable the principal stakeholders to comment on the proposed changes; feedback which is then considered by the Highway Authority and provided to the applicant. It is not intended as a public consultation. The public are informed and invited to respond if they so wish at the formal, Made Order consultation stage via on-site notices and plans, and the newspaper advertisement for the order.

To enable us to continue this discretionary service we would appreciate it if informal consultations are not shared with the public beyond any council meetings as no order has yet been made and public comments on the proposals are not at this stage being sought.

Highways Act 1980 Section 118

Essex County Council intend to make the following orders:

It is proposed to extinguish Footpath 4 in the parish of Great and Little Leighs in the City of Chelmsford as per the attached plan as it is considered expedient that the path or way, which is bisected by the A131, should be stopped up on the ground that it is not needed for public use.

If you have any comment to make please do so by 5 March 2024.

Please be advised that if an order is made for this proposal then any representation to that order will need to be made (in writing) at the time of that order's public consultation.

Prior responses to the informal process will not be considered as carried forward to the made order consultation process.
