Dear Resident,

## **ROAD CLOSURE NOTICE**

We would to bring to your attention the night time closure of hall road which is due to take place on the following date:

**06<sup>th</sup> October 19:00 to 06:00am**

This closure is due to the complexity of resurfacing/road marking works that is required to the new Hall road roundabout. It was also decided that the closure of Hall road reduces traffic flows which in turn offers our workforce a safe working environment.

Access/egress to Hall and Oak road properties will be available at all times via west street roundabout. A diversion route will be installed and is attached for your perusal.

Can we now take this opportunity to thank you in advance for your co-operation whilst we will endeavour to minimise any inconvenience that these works may cause.

Should you require more details then you can contacted me or my colleague between the hours of 8:00am -5:00pm Monday to Friday on the numbers below.

Regards,

Nathan Burrows
