

**The Essex County Council (Epping Forest District) (Prohibition of Waiting,
Loading and Stopping) and (On-Street Parking Places) (Civil Enforcement Area)
(Amendment No.14) Order 202***

Statement of Reasons

Summary of the Location

Forest Edge, Buckhurst Hill.

Reasons for the Proposed Changes

Planning permission has been granted for a new vehicle crossing or dropped kerb at No.8 Forest Edge, Buckhurst Hill. Hence, the applicant wishes to remove a Permit Holders Parking Area adjacent to the planned crossing at frontage of said property and replace it with 'No Waiting Mon-Fri 1pm-2pm'.

Consequently, Essex County Council is proposing to make the above named Traffic Regulation Order as illustrated on the plan(s).

Benefits of the Proposed Changes

This will allow increased access to their property, similar to existing vehicle crossings in the road.
