

.The Essex County Council (Epping Forest District) (Prohibition of Waiting, Loading and Stopping) and (On-Street Parking Places) (Civil Enforcement Area) (Amendment No.18) Order 202*

STATEMENT OF REASONS:

Implementation of No Waiting at Any Time Restrictions.

Councillor Scott has requested looking at Lodge Close for a good candidate for No Waiting at Any Time restrictions using double yellow lines. There is a parking problem at the end of Lodge Close, Chigwell, near the junction with Lambourne Road where visibility is restricted and there has been a number of (relatively minor) accidents. Ironically there is a car park at the same location accessed off Lodge Lane, but it isn't used, probably because the entrance is very narrow (to prevent travellers etc).
