

The Essex County Council (Tendring District) (Prohibition of Waiting, Loading and Stopping) and (On-Street Parking Places) (Civil Enforcement Area) (Amendment No.27) Order 202*

STATEMENT OF REASONS

This scheme is funded by the Tendring Local Highway Panel (LHP). Officers from the Environment Agency, with the support of their local County Member, have raised an issue with regards to the flood gate to the river Stour which is 8 meters wide and is located between two parking spaces that are opposite the boundary of property numbers 8 and 9 Quay Street, Manningtree. It has been reported that vehicles are constantly blocking the gates and ignoring the advisory 'Keep Clear' markings, which are currently not legally enforceable.

The implementation of a 'No Waiting at Any Time' (double yellow lines) restriction should stop vehicles from being parked there, therefore enabling access and egress to and from the flood gate.
