

**The Essex County Council (Various Roads, Epping Forest District)  
(Prohibition of Waiting, Loading and Stopping)and (On Street Parking  
Places) (Civil Enforcement Area) (Amend 26) Order 20\*\***

**Statement of Reasons**

**Installation of a Disabled Parking Bay:**

Essex County Council is aware that some Essex residents require a Disabled Parking Bay marked on the Highway outside of their home in order to help reduce the distance they need to travel between their home and their vehicle.

Essex County Council will consider providing such bays for residents with a valid Blue Badge and a vehicle registered to the property. The bays proposed in this order are required for residents who meet this criterion.

Although Disabled Parking Bays are installed for specific individuals, any Badge Holder may benefit from them.

**Revoke Disabled Parking Bay:**

Disabled parking has previously been installed at these locations in order to assist eligible blue badge holders to park on the Highway closer to their homes. Once we have been notified that the original applicant no longer requires the bay, redundant bays are removed in order to return the space to the Highway, enabling any vehicle to park there.
