24th May 2019

To: Residents affected by the works along Colchester Road, Chelmsford

As you will be aware Henderson & Taylor (Public Works) Ltd, have been carrying out widening works along the A130 Colchester Road,

We are now approaching the final stages of the project and will be undertaking full width carriageway surfacing between Fordson Road & the Sainsbury's roundabout commencing on 5th June 2019 for approximately one week.

These works will require full nightly closures of the A130 to enable the works to be safely undertake, with a traffic diversion being in force between 20:00 & 05:00.

During this time, residents of Fordson Road will be able to access their properties from the Boreham interchange roundabout, via a marshalled access gate. The gate will be maned by Traffic Management operatives enforcing an Access Only system.

We apologise for any inconvenience.
Kind Regards

Paul Reader
