Dickenson Road to Wallace Road (within the site boundaries)		None	N/A
Wallace Road to Bruff Close	Traffic signals ducting Excavation fill for new bus lane	None	N/A
Wallace Road to Bruff Close	Drainage installation (Filter drains/ Gullies)	None	N/A
Via Urbis / Mill Road to Dickenson Road (within the site boundaries)	Drainage/kerbing/signals ducting	Traffic will be unable to turn left into Mill Road when heading northbound on the A134 (Northern Approach Road)	Road users should continue northbound along the A134 and continue north along Via Urbis Romanae until reaching the roundabout with Axial Way. They will need to return south along Via Urbis Romanae / A134 and turn right into Mill Rd west.

Via Urbis / Mill Road footway closure – The footpath highlighted red will be closed for the kerb alignment and tactiles for the new crossing.

Pedestrians needing to access the eastern side of Mill Road will need to cross Northern Approach Road and follow the route below marked by the green dashes

The no left turn into Mill Road from Northern Approach needs to be installed again for ongoing works to the kerbing and signals ducting. This will enable pedestrians to cross Northern Approach Road (A134) whilst the eastern side of Mill Road footway is closed
