Dear Resident,

ROAD CLOSURE NOTICE

We would like to bring to your attention the night time closure of hall road which is due to take place on the following date:

24th August 2016 18:30 to 06:00am

This closure is required due to the complexity of resurfacing/road marking works that is required to west street roundabout. It was also decided that the closure of Hall road reduces traffic flows which in turn offers our workforce a safe working environment.

Access to your properties will be available at all times via Cherry Orchard way roundabout. A diversion route will be installed and is attached for your perusal.

Can we now take the opportunity to thank you in advance for your co-operation whilst we will endeavour to minimise noise pollution and any inconvenience that these works may cause.

Should you require more details then you can contact me or my colleague between the hours of 8:00am -5:00pm Monday to Friday on the numbers below.

Regards,

Nathan Burrows
